the sower

Sowing Principles

1. The soil, not the seed, determines our growth.

David Blumenthal / Special to The Chronicle

Sowing Principles

1. The soil, not the seed, determines our growth.

Sowing Principles

1. The soil, not the seed, determines our growth.

2. Our faith needs a root system.

Sowing Principles

1. The soil, not the seed, determines our growth.
2. Our faith needs a root system.
3. *Sowing seed is not always easy.*

**What kind
of soil are
you?**
