

With man it is impossible, but not with God. For all things are possible with God.

What Does This Mean?

Joshua 4:1-7

They were in danger of forgetting what God had done.

As soon as all the kings of the Amorites who were beyond the Jordan to the west, and all the kings of the Canaanites who were by the sea, heard that the Lord had dried up the waters of the Jordan for the people of Israel until they had crossed over, their hearts melted and there was no longer any spirit in them because of the people of Israel.

Joshua

5:1

They were in danger of forgetting what God had done.

They were in danger of forgetting what God had done.

The stones reminded them of what God had done and what He would do.

***We are in danger of forgetting
what God has done.***

What then is Apollos? What is Paul?
Servants through whom you believed,
as the Lord assigned to each. I planted,
Apollos watered, but God gave the
growth. So neither he who plants nor
he who waters is anything, but only
God who gives the growth.

1 Corinthians

3:5-7

***We are in danger of forgetting
what God has done.***

*We are in danger of forgetting
what God has done.*

***We need to be reminded of
what God has done and
what He will do.***
