the Lord, "Increase  
our Faith."

# Faith Requires Depth.

*Increasing our Faith*

*Depth begins with  
accepting the Word.*

**Roots can "swell and split bedrock,  
and move gallons of water daily for  
years, much more efficiently than  
any pump yet invented by man...**

**Tear apart everything  
aboveground—everything—and  
most plants can still grow  
rebelliously back from just one  
intact root. More than once. More  
than twice."**

*Depth begins with  
accepting the Word.*

Depth begins with  
accepting the Word,  
*and it requires  
cultivating the soil.*
