

Inside Job

Proverbs 1:1-7

Romans 7:15 What I don't understand about myself is that I decide one way, but then I act another, doing things I absolutely despise.

16 So if I can't be trusted to figure out what is best for myself and then do it, it becomes obvious that God's command is necessary.

17 But I need something more! For if I know the law but still can't keep it, and if the power of sin within me keeps sabotaging my best intentions, I obviously need help! **18** I realize

that I don't have what it takes. I can will it, but I can't do it. **19** I decide to do good, but I don't really do it;

I decide not to do bad, but then I do it anyway. **20** My decisions, such as they are, don't result in actions. Something has gone wrong deep within me and gets the better of me every time. **21** It happens so regularly that it's predictable. The moment I decide to do good, sin is there to trip me up. **22** I truly delight in God's commands, **23** but it's pretty obvious that not all of me joins in that delight. Parts of me covertly rebel, and just when I least expect it, they take charge. **24** I've tried everything and nothing helps. I'm at the end of my rope. Is there no one who can do anything for me?

Proverbs 1:1-7

1 The proverbs of Solomon the son of David, king of Israel: **2** To know wisdom and instruction, To discern the sayings of understanding, **3** To receive instruction in wise behavior, Righteousness, justice and equity; **4** To give prudence to the naive, To the youth knowledge and discretion, **5** A wise man will hear and increase in learning, And a man of understanding will acquire wise counsel, **6** To understand a proverb and a figure, The words of the wise and their riddles. **7** The fear of the Lord is the beginning of knowledge; Fools despise wisdom and instruction.
