

ANALOG PARENTS DIGITAL KIDS

**Raising our kids to be great citizens of
God's kingdom as well as our digital world**

Psalm 127.1

PERSPECTIVE

A FEW THINGS PARENTS NEED TO REALIZE

1.

**We can never use the excuse
that "we didn't know."**

A FEW THINGS PARENTS NEED TO REALIZE

2.

Your child does not yet have the experience and will power to keep themselves in check on the internet.

A FEW THINGS PARENTS NEED TO REALIZE

3.

**There is no such thing as
privacy.**

HEBREWS 4.13

BEING PROACTIVE

Proactive, not *reactive*.

What we say matters.

James 3.2-10

THINGS YOU CAN DO AT HOME TONIGHT

- Make a list of devices in your home that access the internet.
- Have the child's device always in your sight.
- Take up all devices at bedtime.
- Look for previous evidence, and keep track of your child's movements online.
- Beware of suspicious apps.
- Kids and Parents: live life online **no differently** than real life!
