

For we walk by
faith, not by sight.

2 Corinthians 5:7

Genesis 50:15-21

The Rear View Mirror

How do I view my past?

A close-up photograph of a car's side-view mirror. The mirror's frame is dark and rounded. The reflection inside the mirror shows a bright, glowing sun low on the horizon, casting a warm orange and yellow light across the sky. Below the horizon, there are dark silhouettes of trees and hills. In the lower right corner of the reflection, the side of the car and a taillight are visible, also reflecting the warm light of the sunset. The background outside the mirror is dark and out of focus.

How will I handle my present?

OBJECTS IN MIRROR ARE CLOSER
THAN THEY APPEAR

A close-up photograph of a car's side-view mirror. The mirror's frame is dark and rounded. The reflection inside the mirror shows a bright sun low on the horizon, casting a warm orange and yellow glow across the sky. Below the horizon, there are dark silhouettes of trees and hills. In the lower right corner of the reflection, the side of the car and a taillight are visible, also reflecting the warm light of the sunset. The background outside the mirror is dark, suggesting it's nighttime or dusk.

How will I handle my present?

A close-up photograph of a car's side-view mirror. The mirror's frame is dark and rounded. The reflection shows a bright sun low on the horizon, casting a warm orange and yellow glow across the sky. Below the horizon, there are dark silhouettes of trees and a road. The car's body and window frame are visible in the lower right corner of the reflection, with some interior lights glowing. The overall mood is contemplative and serene.

How should I face my future?
