

TO THE ENDS
OF THE EARTH

A stylized globe showing the continents of North and South America, centered on the Atlantic Ocean. The globe is rendered in a high-contrast, almost binary style, with the landmasses in white and the oceans in dark blue/black. The globe is surrounded by a thin white circular border. The text 'TO THE ENDS OF THE EARTH' is written in a bold, white, sans-serif font, arched over the top and bottom of the globe. The background of the entire image is a textured, wavy surface of water, transitioning from a light greenish-blue at the top to a dark blue at the bottom.

ACTS

1:1-11

Acts 1:3-9

³He presented himself alive to them after his suffering by many proofs, appearing to them during forty days and speaking about the kingdom of God. ⁴And while staying with them he ordered them not to depart from Jerusalem, but to wait for the promise of the Father, which, he said, “you heard from me; ⁵for John baptized with water, but you will be baptized with the Holy Spirit not many days from now...”

⁶So when they had come together, they asked him, “Lord, will you at this time restore the kingdom to Israel?” ⁷He said to them, “It is not for you to know times or seasons that the Father has fixed by his own authority. ⁸But you will receive power when the Holy Spirit has come upon you, and you will be my witnesses in Jerusalem and in all Judea and Samaria, and to the end of the earth.” ⁹And when he had said these things, as they were looking on, he was lifted up, and a cloud took him out of their sight. (Acts 1:3-9)

TO THE ENDS
OF THE EARTH

A circular graphic featuring a globe of the Earth, centered on the Americas. The globe is rendered in a high-contrast, almost black and white style, with the continents appearing as dark shapes against a lighter background. The globe is surrounded by the text "TO THE ENDS OF THE EARTH" in a bold, white, sans-serif font. The text is arranged in two curved lines, one above and one below the globe, following its circular shape. The entire graphic is set against a background of deep blue, rippling water, which transitions from a lighter blue at the top to a darker blue at the bottom.
