Sin stirs God's

WRATH

A man with a full beard and a black baseball cap worn backward is shouting with his mouth wide open. He is in a living room decorated for Christmas. In the background, there is a television displaying a Christmas tree, a fireplace mantel with stockings and a snow globe, and a real Christmas tree with lights on the left. The man is wearing a dark Under Armour t-shirt.

THE RAGE MONSTER

DP

“The wrath of God, then, is almost totally different from human anger. It does not mean that God loses his temper, flies into a rage, or is ever malicious, spiteful or vindictive...On the contrary, his wrath is his holy hostility to evil, his refusal to condone it or come to terms with it, his just judgment upon it.”
