Jennifer, please share with Sara Walker Foundation fans: the sophomore OT and PT students at FSRL, Faculté des Sciences de Rehabilitation de Léogâne, love the new skeletons that have a front row seat in their Musculoskeletal Anatomy class! FSRL is a department of the Episcopal University of Haiti.

Since 2013, some 75 Lipscomb students and faculty from the Nursing, Pharmacy, Education and Engineering programs...as well as the Women's Volleyball team... have made trips to Malawi to serve at Blessings Hospital and the Mtendere Village Orphanage.

Since 2015, there have been over 40,000 patient visits to the Sara Walker mobile clinics in the villages surrounding Blessings Hospital in Malawi.

Since 2016, some 50 young girls at the Pearl House in Ghana have enjoyed the Sara Walker Library, the Sara Walker Outdoor Pavilion, the Sara Walker Bridge (connecting the Pearl House to an ever-growing Christian school), and now the Sara Walker Outdoor Basketball Court at the school.

Since 2017, there have been 11 recipients of the Sara Pigg Walker scholarship at the Belmont School of Physical Therapy.

Since 2018, annual scholarships have been awarded to Haitian PT/OT students, along with patient care kits and training supplies.

AND MUCH MORE!
