

## An Update from Andrew...

Last Wednesday night, we rejoiced with **Katrina Mezera**, who was baptized on Wednesday night. She and her daughter **Gabbi** have been visiting with us for a few weeks now, and after studying with **Hugh** and **Bonnie Langley**, she decided she was ready to become a Christian! Be sure to introduce yourself and let her know how excited you are about her decision.

Last Monday, 45 of us rode to Memphis for our Guys trip to see the Grizzlies game. We enjoyed the day, and the children were all able to give the players high fives before halftime! I am thankful to **Jon David Schwartz**, **Jerry Kirk** and **Jimbo Nutt** for driving. It provided a prime opportunity for fellowship, and we had a lot of fun. Earlier that weekend, our high schoolers were able to attend Evangelism University in Savannah, TN. This event is focused on training high school students to reach their friends for Christ, and I am glad we have teenagers who are focused on learning and growing.

I hope you have noticed our questions on brief videos we are posting on social media channels: Facebook, Twitter, and Instagram. Right now, our plan is to post something new on Tuesdays and Thursdays. We need your help to repost and share those so that we can reach as many people as possible. I also hope you can post a response to that week's question, which will help us focus on that Sunday morning's message. We are still adjusting the format and learning how to maximize our effectiveness, and I hope they will build us up as we study and grow.

On February 7, we will host our annual area wide singing at 7:00 p.m. If you have never been part of this singing, you will want to mark your calendars to be part of it. We will have members from several area congregations with us, and it will be a great night of singing. Since we are hosting, we will be providing food after the singing is over. If you have not already signed up to bring food in Bible class, please see **Ken Wiles** or **Bobby Bishop**.

One of the things I noticed on Sunday is that we have a lot going on right now! There are plenty of sign-up sheets and fliers for upcoming events. We can't be involved in everything, but make sure you find areas where you can plug in and get involved. Let's keep working and growing together!
