

An Update from Andrew...

The new year has begun, and it is off to a great start! The holiday break meant we had a few breaks from our usual bulletin schedule, but during this time we welcomed new families to our Graymere church family. **Joseph Graham**, the father of Rob Graham, has asked to be identified with our congregation, as well as **Mike, Lori, and Quent Mizer**.

As we announced on Sunday, our theme for the year is "A Life in Balance." We are focusing on the ways we can grow spiritually, and we are seeking to make sure we have a balanced spiritual diet. One of the ways we are trying to help with that process is by sending our reminders through the week. On our Graymere social media channels, we will be sending out some thought provoking questions, and some short sermon preview videos each week. These would be ideal to share as an online invitation.

On January 20, several will be going on our Graymere Guys trip to Memphis. We will eat some BBQ, visit Bass Pro at the Pyramid, and then we will watch the Grizzlies game together. We still have a few spots left, and the sign-up sheet is in the foyer. We will also be taking a bus to the first day of the Freed-Hardeman Bible Lectureship on Monday, February 3rd. We will leave from the Graymere parking lot at 7:00 that morning, and we will return that evening. Our own Jon Winchester is speaking that afternoon. You can find schedules for that day in our church foyer, and you can see a complete schedule online at www.fhu.edu/lectureship.

We had more individuals worship with us on Sunday mornings and stay for Bible classes in 2019 than in the last two years. This means we have guests worshipping with us every single week. I hope we are doing everything we can to make them feel welcome and get to know them. Remember, we want to make sure there are guest parking spaces available when people come to worship. Often, guests will arrive only a few minutes before worship starts, so even if it is 8:55, let's still keep those guest spots available. Also, be on the lookout for people coming into the auditorium. We already have a great group of ushers who help people to their seats, and you can help them by keeping your eyes open and being willing to move over to make room for others on your pew. After worship, if you notice someone new sitting near you, ask them if they need help finding a classroom. These are small actions, but if we keep doing them, I think we will be amazed at the difference they will make. I see Graymere members doing this every week; let's keep it up!
